

White Collar Criminal Defense and Internal Corporate Investigations

When the government comes calling ...

Federal Criminal Defense

Defend individuals accused of federal crimes, such as fraud, trade secret theft, price-fixing, and other financial crimes.

Government Proceedings

Represent individuals and companies in a broad range of enforcement proceedings, from SEC to state AGs to DOL and more.

Corporate Investigations

Conduct internal investigations for companies and their boards, and represent individual executives and pools of employees in corporate investigations.

Witness Representations

Help individuals navigate and negotiate their witness status when the FBI or another investigative agency seeks their testimony.

Parallel Proceedings

Protect our client's interests and assist in navigating threatened or actual civil actions and proceedings, which often run parallel to a client's criminal concerns.
