San Francisco: 415.954.4418

Hayleigh Shobar represents clients in environmental litigation, compliance, and regulatory matters.

She has experience with a wide range of environmental regulations, including Proposition 65, the Resource Conservation and Recovery Act (RCRA), the California Environmental Quality Act (CEQA), and the California Endangered Species Act (CESA).

Outside the Office

On a typical Saturday, you can find Hayleigh running through the Presidio, picking up fresh vegetables and flowers at the Fillmore farmers market, reading a book in Alamo Square Park, or cuddling with her feisty (and extremely affectionate) feline Luna. She's up-to-speed (generally!) on the latest in musical theater, loves listening to folk music, and feels most at home by the ocean.
